About the University

Uttar Pradesh Rajarshi Tandon Open University, Prayagraj was established in November 1999 at well known holy place Teertharaj Prayag. To fulfill and gratifying the needs of acquiring higher education this University conducts its academic activities through a diversified means of Open and Distance Education. It uses the latest scientific knowledge and ICT for providing quality education to its students and strengthening the student-support services. At present, University has been offering general, professional and skill based vocational programmes through 11 Regional Centres and more than 1000 Study Centres spread over the State. The University has three Green and Clean campus; the Ganga Parisar (Administration Campus), the Saraswati Parisar (Academic Campus and Central Library) and the Yamuna Parisar (Residential Campus and Regional Centre).

About the seminar

The digital revolution in information and communication technologies has created new platform for free flow of information, knowledge and ideas across the globe. It affected the way of world's functions profoundly. Internet has become an important resource and tool of social and academic development as well as educational development. ICT gadgets and internet has become a prime face tool of education. Academic libraries as of hub of academic activities have been very much affected by this revolution of electronics and communication. It has given opportunities to the new kind of services and raised some challenges also, such as content management, In-house practices, IPR issues and other technical issues. In the light of above issues, it is the need of hour to reorganize academic libraries. This re-organization of libraries and their services should be sustainable to ensure longevity for welfare of mankind.
